

## **CURRICULUM VITAE**

**Evangelos N. Keramaris**

**Assistant Professor**

University of Thessaly, School of Engineering, Department of Civil Engineering,  
Laboratory Hydromechanics of and Environmental Engineering  
Pedion Areos, 38334, Volos, Greece

Tel : (0030) 24210-74140, e-mail : [ekeramaris@civ.uth.gr](mailto:ekeramaris@civ.uth.gr)

### **1. Academical Positions**

01/06/2016 – today : Assistant Professor, Department of Civil Engineering, University of Thessaly with module “Experimental Hydraulics” (FEK 491, Issue Γ, 01/06/2016). Member of Laboratory of Hydromechanics and Environmental Engineering (Director : Professor A. Liakopoulos).

26/06/2014 – 01/06/2016 Lecturer, Department of Civil Engineering, University of Thessaly with module “Experimental Hydraulics” (FEK 804, Issue Γ, 26/06/2014).

### **2. Education**

- 1989-1994: Diploma of Aristotle University of Thessaloniki, Department of Civil Engineering, Division of Hydraulic and Environmental Engineering, **grade 7.36.**
- 1995-1996: MSc Department of Civil Engineering, Division of Hydraulic and Environmental Engineering

- 1996-2001: PhD, Department of Civil Engineering, Division of Hydraulic and Environmental Engineering, **grade 10**.
- August 2003: Supervision of short course «Integrated River and Coastal Zone Management», 30<sup>th</sup> International Association of Hydraulic Research Congress, Thessaloniki, Greece.
- April 2015: Supervision of workshop «2<sup>nd</sup> Workshop for the Fatigue of Materials Used in Vascular Surgery», Thessaloniki, Greece.

### **3. Other Skills**

- Excellent knowledge of graphics package Grapher
- Excellent knowledge Labview program
- Languages: English, Italian

### **4. Research Interests**

- Experimental Measurements (Hot-Film Anemometry, Particle Image Velocimetry)
- Flows in Porous Media
- Gravity Currents in Lock-Exchange Experiments
- Buoyant Jets in Open Channels and Tanks

### **5. Courses**

#### *Today*

Teaching of 3 courses in Department of Civil Engineering in University of Thessaly.

Specifically :

1. **Experimental Hydraulics** (8th Semester / from 2010-11)
  2. **Environmental Fluid Mechanics** (9th Semester / from 2012-13)
  3. **Unsteady Flows** (9th semester / from 2012-13)
- 2<sup>nd</sup> Semester 2014-15 : Teaching of «**Hydraulics**» (5<sup>th</sup> semester) of University of Thessaly, Department of Civil Engineering, Division of Hydraulic and Environmental Engineering (co-teaching with Lecturer Katsardi V.)

#### *Past*

- 1/10/1996-30/6/2000 : Assistant at laboratory exercises of a) «**Fluid Mechanics**» (3<sup>rd</sup> Semester) and b) «**Hydraulics**» (4<sup>th</sup> semester) for Civil Engineering Dept., Aristotle University of Thessaloniki.

- 26/03/2002-12/07/2013 : Research Associate of Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering «**River Mechanics**» (7<sup>th</sup> Semester) theory and laboratory exercises.
- 06/11/2003-12/07/2013 : Research Associate of Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering «**Hydrology-Groundwater Hydraulics**» (4<sup>th</sup> semester) theory and laboratory exercises.
- 16/03/2004-21/02/2006 : Research Associate of Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering «**Water Supply**» (5<sup>th</sup> semester) theory.
- 01/10/2007-12/07/2013 : Research Associate of Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering «**Hydraulics II**» (4<sup>th</sup> semester) theory and laboratory exercises.
- 01/09/2010-02/07/2014 : Visiting Professor of University of Thessaly, Department of Civil Engineering, Division of Hydraulic and Environmental Engineering «**Experimental Hydraulics**» (8<sup>th</sup> semester).
- 17/10/2012-02/07/2014 : Visiting Professor of University of Thessaly, Department of Civil Engineering, Division of Hydraulic and Environmental Engineering «**Unsteady Flows**» (9<sup>th</sup> semester).
- 17/10/2012-02/07/2014 : Visiting Professor of University of Thessaly, Department of Civil Engineering, Division of Hydraulic and Environmental Engineering «**Environmental Fluid Mechanics**» (9<sup>th</sup> semester).
- 01/03/2014-02/07/2014 : Visiting Professor of University of Thessaly, Department of Civil Engineering, Division of Hydraulic and Environmental Engineering «**Flows in Natural and Artificial Open Channels**» (8<sup>th</sup> semester).

TEACHING EVALUATION FROM UNDERGRADUATE STUDENTS : GRADE **4.61/5.00**  
(Average of the Department **4.04/5.00**).

## **6. Research Projects**

### *Participating in research Projects*

1. 04/10/1994 - 12/11/1994: Worked as an External Expert (contracted) in a research project implemented by the Civil Engineering Dept. of the Aristotle University of Thessaloniki (financed by the Water Utility of Thessaloniki - OUTH) in the field of hydraulic and

environmental engineering entitled «Public poll by OUTH on the Public's reaction regarding drinking water supply and water issues in general».

2. 01/01/1999 - 31/03/1999: Worked under an employment contract in a research project entitled «Upgrading the civil engineering Studies by introducing of modern methods and tools of education» implemented by the Civil Engineering Dept. of the Aristotle University of Thessaloniki.
3. 21/04/2013 - 30/06/2013: Worked under an employment contract in a research project entitled «1) Upgrading the experimental procedure of the flow in an channel with periodical grooves in the bed a) with flow under pressure, b) with free surface flow, 2) Investigation of the possibility to study the flow with the PIV system of the Laboratory of Hydromechanics and Environmental Engineering» implemented by the Civil Engineering Dept. of the University of Thessaly.
4. 10/04/2013 - 31/08/2015: Worked as a Staff member in the research project "Archimedes III – research groups in Alexander TEI of Thessaloniki» MIS 383572 code «education and lifelong learning» [Sub-project 33 entitled «Optimum design of the communication of lateral harbor with main flow. Application to small ports and Fishponds»].

## **7. Publications**

### **TOTAL PUBLICATIONS: 56**

#### **PhD Thesis: 1**

#### **In Journals: 25**

- *In International Journals: 22*
- *In Greek Journals: 2*
- *In Greek Special Issues: 1*

#### **In Conferences: 31**

- *in International Conferences: 16*
- *in Greek Conferences: 15*

## **PhD Thesis (1)**

**Keramaris E.**, (2001) «Turbulent Flow I an Open Channel with a Porous Bed», PhD Thesis, Aristotle University of Thessaloniki, Department of Civil Engineering.

## **A) Publications in International Journals (22)**

**A.1.** Prinos P., Sofialidis D., **Keramaris E.**, (2003) «Turbulent Flow Over and Within a Porous Bed», *Hydraulic Engineering*, ASCE, 129(9): 720-733, ASCE. [http://dx.doi.org/10.1061/\(ASCE\)0733-9429\(2003\)129:9\(720\)](http://dx.doi.org/10.1061/(ASCE)0733-9429(2003)129:9(720))

**A.2.** **Keramaris E.**, Prinos P., (2009) «Flow Characteristics in Open Channels with Permeable Bed», *Porous Media*, Begell House, 12 (2): 155-165. **DOI:** [10.1615/JPorMedia.v12.i2](https://doi.org/10.1615/JPorMedia.v12.i2)

**A.3.** **Keramaris E.**, (2010) «Comparison between different porous bed (porous filter and rods bundle) in open channels», *Porous Media*, Begell House, 13(2): 183-193. **DOI:** [10.1615/JPorMedia.v13.i2.80](https://doi.org/10.1615/JPorMedia.v13.i2.80)

**A.4.** Pechlivanidis G., **Keramaris E.**, Pechlivanidis I., Samaras G., (2012) «Measurements of Turbulent Characteristics in an Open Channel Using PIV (Particle Image Velocimetry)», *GlobalNEST*, 14(3): 378-385.

**E.15. Keramaris E.,** Liakopoulos A., Pechlivanidis G., D. Kasiteropoulou, N. Michalolias (2016) «Study of Turbulent Flow in an Open Channel With Artificial Vegetation», Proc. of the 10<sup>th</sup> National Conference «FLOW 2016, Phenomenon of Fluid flows», FLOW2016-125, 1-9, Patra, December 2016.

## **8. Identification of scientific work**

### *8.1. Citations*

In total **71** citations.

### *8.2. Reviewer of International Journals*

- 1) Journal of Porous Media, Begell House, 2007-today.
- 2) International Journal of Heat and Fluid Flow, Elsevier, 2009-today.
- 3) GlobalNest Journal, Global Nest, 2012-today.

- 4) Fresenius Environmental Bulletin, Parlar Scientific Publications, 2015-today.
- 5) Environmental Processes, Springer, 2015-today.
- 6) Desalination and Water Treatment, Taylor and Francis, 2015 today.
- 7) Environmental Earth Sciences, Springer, 2015-today
- 8) Journal of Hydraulic Engineering, Taylor and Francis, 2015-today.
- 9) Environmental Engineering Science, Mary Ann Liebert Inc., 2015-today.

### **9. Author of Theory and Laboratory Notes**

- «River Mechanics» (Laboratory Notes), Notes for Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering, January 2007.
- «HydraulicsII» (Theory Notes), Notes for Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering, March 2008.
- «HydraulicsII» (Laboratory Notes), Notes for Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering, March 2008.

### **10. Administrative Experience at the University of Thessaly**

- Substitute Member of the Experts Committee for the technical evaluation of public tenders at the Civil Engineering Dept. of University of Thessaly since 2014 (Institution Managing Committee Decision 176/8-10-14).
- Supervisor of the students' practical training at the Civil Engineering Dept. of University of Thessaly since 2015.
- Member of the Team of Internal Evaluation at the Civil Engineering Dept. of University of Thessaly since 2015.
- Member of the Team of Program and Examinations schedule at the Civil Engineering Dept. of University of Thessaly since 2016.

### **11. Member in PhD Thesis Examination Committees**

1. Paschalidis, G., (2015) «Simulation of sediment discharge in a Watershed in the Downstream Dam Area», Thessaloniki, April 2015. Supervisor: Anagnostopoulos P., Professor.

## **12. Member of Committee of Diploma Thesis of Postgraduate Studies of Department of Civil Engineering of University of Thessaly**

1. Tsigardas S-I., (2015) «Recording and Analysis wastewater treatment Plant operation Problems (WWTP-waste water treatment) and Proposals of dissolution», Supervisor: Laspidou C., Assoc. Professor.
2. Tallarou M., (2015) «Techniques and technologies for rainwater harvesting and reuse» 2015 Supervisor: Kanakoudis V., Assoc. Professor.

## **13. Supervisor-Member of Diploma Thesis**

### **13.1. Supervisor of Diploma Thesis at the Civil Infrastructure Engineering Dept. of the Alexander Educational Institute of Thessaloniki**

1. Dakou I., Pantelidou S., (2005) «Study of rainfall data from meteorological stations of Thessaloniki», September 2005.
2. Baroufa I., Papathanasiou P., (2006) «Pollution and quality of water resources of the Central Macedonia Water District», November 2006.
3. Mantziri I., Mousouli D., (2007) «Study of turbulent flow in an open channel with flexible vegetation bed», October 2007.
4. Balafas G., Saoulidis P., (2007) «Experimental study for the calculation of discharge coefficient and discharge capacity in an open channel with the presence of a weir», November 2007.
5. Argyriou E., Gogou C., (2008) «Experimental study for the evaluation of the effect of vegetation in an inclined channel (lock-exchange)», April 2008.
6. Maggos A., (2008) «Experimental study of Gravity Currents», June 2008.
7. Galanidou A., Katogianni M., (2008) «Effect of rods bundle in gravity currents», November 2008.
8. Martsos E., Papatzilakis P., (2009) «Data analysis of daily rainfalls», February 2009.
9. Karadimas N., Michailidis, P., (2009) «Effect of gravity currents in an open channel with vegetation bed», November 2009.

### **13.2. Supervisor of Diploma Thesis at Civil Engineering Dept. of University of Thessaly**

1. Georgiou C., (2015) «Experimental study of turbulent buoyant jet within a still fluid» January 2016.
2. Riris I., (2015). «Study of the velocity of turbulent buoyant jet within a moving fluid in an open channel with free surface», January 2016.

3. Theodosiou I., Kiritsis A (2016) «Measurements and instruments in Hydraulic Research», November 2016.

### 13.3. Member of Committee of Diploma Thesis at Civil Engineering Dept. of University of Thessaly

1. Azariadi T., (2014) «Comparative Evaluation of river basin districts management plans in Greece under the water framework directive 2000/60/EC», Supervisor: Kanakoudis V., Assoc. Professor.
2. Michalolias N. (2014) «Study of fluid velocity in a channel with free surface under the existence of vegetation using computational fluid mechanics and application of results in flood protection», Supervisor: Liakopoulos A., Professor.
3. Sagia Z., (2015) «Investigation of the impact of groundwater temperature in dimensioning the geothermal open circuit system for domestic use», Supervisor: Kanakoudis V., Assoc. Professor
4. Mousadis I., (2015) «Evaluation of methods of valuation and recovery of the full cost of water in European Union countries», Supervisor: Kanakoudis V., Assoc. Professor.
5. Karanis I., (2015). «Design of a small hydroelectric project on the Pineios River», Supervisor: Liakopoulos A., Professor.
6. Korkana P., (2015). «Optimizing (DMAs) formation in drinking water networks using genetic algorithms and developing prototype algorithms», Supervisor: Kanakoudis V., Assoc. Professor.
7. Tagas E., (2016). «Dairy Industry Wastewater Treatment with Constructed Wetlands». Supervisor: Laspidou C., Assoc. Professor.

### 14. Participation in Organizing Committees

1. Member of the organizing committee of the Conference «Protection and Restoration of the Environment XII International Conference», June 29<sup>th</sup>–July 4<sup>rd</sup> 2014, Skiahtos, Greece.
2. Vice Chairman of the Conference «2nd EWaS International Conference: “Efficient & Sustainable Water Systems Management toward Worth Living Development”», June 1<sup>th</sup>–4<sup>rd</sup> 2016, Chania, Greece.

### 15. Additional Professional Experience

- From 08/03/1995 until 02/07/2014 : Individual Civil Engineer
- From 01/01/2004 until 31/12/2013 : External Partner of Company «Hydroactotechniki»
- From 07/06/2007 until 31/12/2009 : External Partner of Company «YETOS»

## **16. General**

- Member of Technical Chamber of Greece since 1995.
- External Research Associate of Department of Civil Engineering (2002-2014).
- Member of Hellenic Hydrotechnical Association since 2007.
