

Name	<b>PANTELIS KOPELIAS</b>
Address	University of Thessaly Department of Civil Engineering Pedion Areos, GR-38334, Volos, Greece
Telephone	+30 24210 74165
Fax	+30 24210 74119
E-mail	<a href="mailto:kopelias@uth.gr">kopelias@uth.gr</a>
Nationality	Greek
Date of birth	JANUARY 5 <sup>TH</sup> , 1972

## SHORT CV

Dr. Pantelis Kopelias is an Assistant Professor at School of Civil Engineering at University of Thessaly (city of Volos, Greece). He holds a Diploma in Civil Engineering (1997) and a PhD (2002) in Traffic Engineering and Road Safety from Aristotle University of Thessaloniki. He teaches Traffic Engineering, Road Operations and Traffic management, Pavement Design and Management and ITS and Traffic Management Applications. He has participated in several EU Research and Development projects and Traffic studies in the area of Traffic Management, Road Safety and ITS. He is author or co-author in 20 scientific publications in journals and over 60 conferences papers with referees. He is member of the Hellenic Institute of Transportation Engineers and also he is /was member of several organizations and scientific groups (TRB, IRF, IIAV). He has significant - 20 years - professional experience as Civil and Traffic Engineer in areas of Traffic Operations, Traffic and Incident Management and Transportation studies.

## EDUCATION AND TRAINING

- Dates **2002**
- Name and type of organization providing education and training Aristotle University of Thessaloniki, Greece
- Title of qualification awarded Ph.D. in Civil Engineering and Transportation
  
- Dates **1997**
- Name and type of organization providing education and training Aristotle University of Thessaloniki, Greece
- Title of qualification awarded 5 year Diploma in Civil Engineering

## CARRIER TRACK

- Dates **2016-**
- Name and address of employer University of Thessaly, Department of Civil Engineering
- Occupation or position held Assistant Professor
- Main activities and responsibilities Research And Teaching Activities
  
- Dates **2014-2016**
- Name and address of employer University of Thessaly, Department of Civil Engineering
- Occupation or position held Lecturer
- Main activities and responsibilities Research And Teaching Activities

- Dates **2003-2014**
- Name and address of employer Attikes Diadromes S.A., The Attica Tollway Operations Authority, Athens. Greece
- Occupation or position held Head Of Traffic Management Department
- Main activities and responsibilities Managerial and Freeway Operations Activities
  
- Dates **2002-2004**
- Name and address of employer Technological Educational Institute of Athens
- Occupation or position held Lecturer of Transportation Engineer Department
- Main activities and responsibilities Teaching Activities
  
- Dates **2002-2003**
- Name and address of employer Organizing Committee for the Olympic Games, Athens 2004 (ATHOC) General Division for Transport
- Occupation or position held Traffic Management Officer
- Main activities and responsibilities Olympic Transport and Athens Traffic Management during the Games
  
- Dates **1997-2014**
- Name and address of employer Independent Freelance Consultant
- Occupation or position held Professional Consultancy Services
- Main activities and responsibilities Traffic Studies, Freeway Operations, ITS, Road Safety
  
- Dates **1997-2003**
- Name and address of employer TRIAS SA Transportation Studies, Thessaloniki S.A.
- Type of business or sector Consulting Engineers
- Occupation or position held Consultant
- Main activities and responsibilities Traffic Studies and Participation in Research Projects

## MEMBERSHIPS

- Technical Chamber of Greece
- Hellenic Society of Civil Engineers
- Hellenic Institute of Transportation Engineers
- Freeway Operations Committee, Transportation Research Board (Friend)
- International Institute of Acoustics and Vibration (IIAV)
- International Road federation (IRF), Road Safety Group of Experts (2011)
- Group of Experts on Transport and ITS, Greek General Secretariat of Research and Technology (2016)

## PARTICIPATION IN RESEARCH PROJECTS

- Training and Education at Municipality of Larissa Personnel - Traffic Engineering principals (2019). Coordinator
- Implementation of Integrated Motorway Management System – IMMS and support of Aegean Motorway Traffic Management Center (2018- today). Aegean Motorway S.A. Coordinator
- Noise Model in cities of Nicosia and Limassol, Cyprus (2018). University of Thessaly
- Monitoring of Meteo Emergency Events (2018). University of Thessaly. Coordinator
- Traffic Analysis and Traffic Management Center Operations in Aegean Motorway (2017). Aegean Motorway S.A. Coordinator
- Noise Model in cities of Larnaca, Cyprus (2017). University of Thessaly
- Updating of Traffic Model at municipality of Katerini, Greece (2016)

- Traffic Analysis and Updating of the 2014 Noise Strategic Plan of North Attica, Athens, Greece, University of Thessaly, Coordinator (2014-2015).
- EXEXON - Smart vehicle communications systems for improved safety and profitability in urban networks and highways. Greek General Secretariat of Research and Technology, Researcher of Attica Tollway SA, Greece (2011-2014)
- CARMA - "Intelligent Car Management Application for Advanced Green Road Transport Services", Greek General Secretariat of Research and Technology, Researcher of Attica Tollway SA, Greece (2011-2014)
- IN-SAFETY - "Infrastructure and Safety", EU Research Project, Sixth Framework Programme (FP6), Researcher of Attica Tollway SA, Greece (2006-2007)
- TAPESTRY - Travel Awareness Publicity and Education Supporting a Sustainable Transport Strategy in Europe, 5th RTD Framework. Researcher of Aristotle University of Thessaloniki, Greece (2000-2001)
- ESCAPE - European Study of Cohorts for Air Pollution Effects. 7th RTD Framework Programme. Researcher of Aristotle University of Thessaloniki, Greece (1999-2000)
- CAMPARIE - Campaigns for Awareness using Media and Publicity to assess the responses of individuals. 5th RTD Framework. Researcher of Aristotle University of Thessaloniki, Greece (1997-2000)
- ICARO - Increase of car occupancy through innovative measures and technical instruments. 4th RTD Framework. Researcher of TRIAS SA, Greece (1997-1999)
