

## SHORT CURRICULUM VITAE

### PERSONAL DATA

Name: Liaskos John  
Specialty: Mining Engineer N.T.U.A., MSC Environment  
Technologies & Legislation D.U.TH.  
Address: 32, IKONOMOU str. ,38334,Volos, Greece  
Telephone: 2421024249, fax 2421024250, mobile 6945 322002  
e-mail: filmmin@otenet.gr  
Date of Birth: 24.11.1957  
Nationality: Greek  
Marital Status: married, 2 children

### TRAINING

Mining Engineer graduate of the National Technical University of Athens.  
MSC Environment Technologies & Legislation D.U.TH.  
PHD Candidate UNIVERSITY OF THESSALY  
English: First Certificate of English Language of Cambridge University.  
P/C: Microsoft Word – Excel for Windows 2003, Autocad 2013.  
Seminars for Environmental studies (3 months), Management (8 months), Special  
winning and use of explosives (4 months).

### ENGINEERING STUDIES

#### ENVIRONMENTAL SCHOLAR (27) C' CLASS

#### MINING SCHOLAR (19) C' CLASS

#### S.N.Hellenic Ministry of Infrastructure, Transport and Networks 14849

Compilation and approval of 104 Studies of Quarries – Mines Exploitation and 202  
corresponding Environmental Impact Studies and issuance of 41 Licenses for  
Quarries – Mines exploitation as well in Greece.

Compilation and approval 32 Environmental Impact Studies for Ready Concrete  
units.

Compilation and approval of 15 Environmental Impact Studies for Crushing Plants  
and 12 for asphalt plants on behalf of public works contractors.

Compilation and approval of 8 Financial / Technical Studies for Quarries,  
Concrete production Firms and Industrial Minerals Firms.

30 Forest Conservation Studies in cooperation with Foresters

### PROFESSIONAL EXPERIENCE

#### MINING ENGINEER

#### MEMBER OF THE GREEK TECHNICAL CHAMBER / S.N. Technical Chamber of Greece 43993 /1984

1996- up to date

#### Technical Advisor of ELLAKTOR S.A. GROUP MOREAS S.A., AKTOR S.A., ELLAT S.A.

Responsibilities

Consultant for the issuance of licenses for  
crushing plant installation, asphalt plant and readymix  
concrete production plants for projects, Quarrying  
Consultant and responsible for the issuance of  
working licenses and environmental rehabilitation.
