

## **CURRICULUM VITAE**

**Evangelos N. Keramaris**

**Associate Professor**

University of Thessaly, School of Engineering, Department of Civil Engineering,  
Laboratory Hydromechanics of and Environmental Engineering  
Pedion Areos, 38334, Volos, Greece

Tel : (0030) 24210-74140, e-mail : [ekeramaris@civ.uth.gr](mailto:ekeramaris@civ.uth.gr)

### **1. Academic Positions**

- 14/05/2021 - today: Associate Professor, Department of Civil Engineering, University of Thessaly with module “Experimental Hydraulics” (FEK 1098, Issue Γ, 14/05/2021). Member of Laboratory of Hydromechanics and Environmental Engineering (Director: Professor A. Liakopoulos).
- 07/02/2020 – 13/05/2021: Assistant Professor (Tenured), Department of Civil Engineering, University of Thessaly with module “Experimental Hydraulics” (FEK 125, Issue Γ, 07/02/2020).
- 01/06/2016 – 06/02/2020: Assistant Professor, Department of Civil Engineering, University of Thessaly with module “Experimental Hydraulics” (FEK 491, Issue Γ, 01/06/2016).

- 26/06/2014 - 31/05/2016: Lecturer, Department of Civil Engineering, University of Thessaly with module “Experimental Hydraulics” (FEK 804, Issue Γ, 26/06/2014).

## **2. Education**

- 1989-1994: Diploma of Aristotle University of Thessaloniki, Department of Civil Engineering, Division of Hydraulic and Environmental Engineering, **grade 7.36.**
- 1995-1996: MSc Department of Civil Engineering, Division of Hydraulic and Environmental Engineering
- 1996-2001: PhD, Department of Civil Engineering, Division of Hydraulic and Environmental Engineering, **grade 10.**
- August 2003: Attendance of short course «Integrated River and Coastal Zone Management», 30<sup>th</sup> International Association of Hydraulic Research Congress, Thessaloniki, Greece.
- April 2015: Attendance of workshop «2<sup>nd</sup> Workshop for the Fatigue of Materials Used in Vascular Surgery», Thessaloniki, Greece.
- August 2018: Attendance of Conference MPS’ 2018 «International Conference on Many Particle Spectroscopy of Atoms, Molecules, Clusters and Surfaces», Budapest, Hungary.

## **3. Other Skills**

- Excellent knowledge of graphics package Grapher
- Excellent knowledge Labview program
- Languages: English (C1), Italian (B2)

## **4. Research Interests**

- Experimental Measurements (Hot-Film Anemometry, Particle Image Velocimetry)
- Flows in Porous Media
- Gravity Currents in Lock-Exchange Experiments
- Buoyant Jets in Open Channels and Tanks
- Computational Hydraulics

## **5. Courses**

### *Today*

- Teaching of 3 courses in Department of Civil Engineering in University of Thessaly.

Specifically:

1. **Experimental Hydraulics** (8<sup>th</sup> Semester / from 2010-11)
  2. **Environmental Fluid Mechanics** (9<sup>th</sup> Semester / from 2012-13)
  3. **Unsteady Flows** (9<sup>th</sup> semester / from 2012-13)
    - Teaching in Interdepartmental Postgraduate Program at the University of Thessaly entitled "Sustainable Management of Environmental Change and Circular Economy" (from 2018-19):
      1. **Flood protection of urban and peri-urban areas** (2<sup>nd</sup> semester)
      2. **Water Resources Management and Circular Economy** (2<sup>nd</sup> semester, co-teaching with Kanakoudis V.)
    - Teaching in the Postgraduate Studies Program at International Hellenic University in the Department of Environmental Engineering entitled "Design and Construction of Technical Projects", (from 2018-19):
      1. **Hydraulic and Coastal Projects** (2<sup>nd</sup> semester, co-teaching with Y. Savvidis).
- *Past*
  - 1/10/1996-30/6/2000: Assistant at laboratory exercises of a) «**Fluid Mechanics**» (3<sup>rd</sup> Semester) and b) «**Hydraulics**» (4<sup>th</sup> semester) for Civil Engineering Dept., Aristotle University of Thessaloniki.
  - 26/03/2002-12/07/2013: Research Associate of Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering «**River Mechanics**» (7<sup>th</sup> Semester) theory and laboratory exercises.
  - 06/11/2003-12/07/2013: Research Associate of Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering «**Hydrology-Groundwater Hydraulics**» (4<sup>th</sup> semester) theory and laboratory exercises.
  - 16/03/2004-21/02/2006: Research Associate of Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering «**Water Supply**» (5<sup>th</sup> semester) theory.
  - 01/10/2007-12/07/2013: Research Associate of Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering «**Hydraulics II**» (4<sup>th</sup> semester) theory and laboratory exercises.
  - 01/09/2010-02/07/2014: Visiting Professor of University of Thessaly, Department of Civil Engineering, Division of Hydraulic and Environmental Engineering «**Experimental Hydraulics**» (8<sup>th</sup> semester).

- 17/10/2012-02/07/2014: Visiting Professor of University of Thessaly, Department of Civil Engineering, Division of Hydraulic and Environmental Engineering «**Unsteady Flows**» (9<sup>th</sup> semester).
- 17/10/2012-02/07/2014: Visiting Professor of University of Thessaly, Department of Civil Engineering, Division of Hydraulic and Environmental Engineering «**Environmental Fluid Mechanics**» (9<sup>th</sup> semester).
- 01/03/2014-02/07/2014: Visiting Professor of University of Thessaly, Department of Civil Engineering, Division of Hydraulic and Environmental Engineering «**Flows in Natural and Artificial Open Channels**» (8<sup>th</sup> semester).
- 2<sup>nd</sup>Semester 2014-15: Teaching of «**Hydraulics**» (5<sup>th</sup> semester) of University of Thessaly, Department of Civil Engineering, Division of Hydraulic and Environmental Engineering (co-teaching with Katsardi V.)
- 1<sup>st</sup>Semester 2017-18: Teaching of «**Hydraulics**» (5<sup>th</sup> semester) of University of Thessaly, Department of Civil Engineering, Division of Hydraulic and Environmental Engineering (co-teaching with Associate Kanakoudis V.)
- 1<sup>st</sup>Semester 2017-18: Visiting Professor of Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering «**Hydraulics I**» (3<sup>th</sup> semester) theory.
- 1<sup>st</sup>Semester 2017-18: Visiting Professor of Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering «**Water Supply**» (5<sup>th</sup> semester) theory.
- 2<sup>nd</sup>Semester 2017-18: Visiting Professor of Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering «**Hydraulics II**» (4<sup>th</sup> semester) theory.
- 2<sup>nd</sup>Semester 2017-18: Visiting Professor of Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering «**Sewerage**» (6<sup>th</sup> semester) theory.
- 1<sup>st</sup>Semester 2018-19: Visiting Professor of Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering «**Hydraulics I**» (3<sup>th</sup> semester) theory.
- 1<sup>st</sup>Semester 2018-19: Visiting Professor of Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering «**Water Supply**» (5<sup>th</sup> semester) theory.

- 2<sup>nd</sup>Semester 2018-19: Visiting Professor of Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering «**Hydraulics II**» (4<sup>th</sup> semester) theory.
- 2<sup>nd</sup>Semester 2018-19: Visiting Professor of Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering «**Sewerage**» (6<sup>th</sup> semester) theory.
- 1<sup>st</sup>Semester 2019-20: Visiting Professor of International Hellenic University in the Department of Environmental Engineering, «Hydraulics I» (3<sup>th</sup> semester) theory.
- 1<sup>st</sup>Semester 2019-20: Visiting Professor of International Hellenic University in the Department of Environmental Engineering, «Water Supply» (5<sup>th</sup> semester) theory.
- 2<sup>nd</sup>Semester 2019-20: Visiting Professor of International Hellenic University in the Department of Environmental Engineering, «Hydraulics II» (4<sup>th</sup> semester) theory.
- 2<sup>nd</sup>Semester 2019-20: Visiting Professor of International Hellenic University in the Department of Environmental Engineering, «Sewerage» (6<sup>th</sup> semester) theory.

TEACHING EVALUATION FROM UNDERGRADUATE STUDENTS: GRADE 4.60/5.00  
(Average of the Department 4.07/5.00).

## **6. Research Projects**

*Participating in 20 Research Projects*

### **A) Principal As Investigator**

1. 14/15/2019-31/12/2020: Principal Investigator Researcher in the research project entitled «Research project for the selection of the optimal method for the development of an artificial neural network for flood phenomena simulation in the urban area of Amyntaio using rainfall field measurements», with code 6092 και total amount of 12.400 euros.

### **B) As Main Researcher**

1. 21/04/2013 - 30/06/2013: Main Researcher in the research project entitled «1) Upgrading the experimental procedure of the flow in an channel with periodical grooves in the bed a) with flow

under pressure, b) with free surface flow, 2) Investigation of the possibility to study the flow with the PIV system of the Laboratory of Hydromechanics and Environmental Engineering» implemented by the Civil Engineering Dept. of the University of Thessaly.

2. 10/04/2013 – 31/08/2015: Main Researcher in the research project "Archimedes III – research groups in Alexander TEI of Thessaloniki» MIS 383572 code «education and lifelong learning» [Sub-project 33 entitled «Optimum design of the communication of lateral harbor with main flow. Application to small ports and Fishponds»].

3. 01/05/2018- : Main Researcher in the project «Experimental and numerical investigation of particulate gravity currents in a trapezoidal channel» with code 5603.

### **C) As Associate Principal Investigator and Staff Member**

1. 27/06/2017-31/08/2018: Associate Principal Investigator and Staff Member in research program «International Conference EWaS3 (27-30/06/2018 Lefkada)» with code 5404.

2. 2017-19 «WATenERgy CYCLE: Urban water full cycle: from its source to its end-users and back to the environment», INTERREG Balkan-Mediterranean 2014-20 project: Associate Principal Investigator and Staff Member with code 5412.

3. 2017-18 «Technical Support Services Consultant of the Water Directorate of E.M.Th. for the management and monitoring of water quality of River Basin Management Plans»: Associate Principal Investigator and Staff Member with code 5580.

4. 2017-19 «WATER RESCUE: Water resources efficiency and conservative use in drinking water supply systems», INTERREG V-A Greece-Bulgaria 2014-20 project: Associate Principal Investigator and Staff Member with code 5581.

5. 2018-20 «SaveSafeWater-Networking for Reciprocal Safe Cross Border Water Supply towards a Worth Living Environment» INTERREG V-A Greece-Albania 2014-20 project: Associate Principal Investigator and Staff Member with code 5754.

6. 2015-16 «DRINKADRIA: Networking for Drinking Water Supply in Adriatic Region», IPA ADRIATIC project: Associate Principal Investigator and Staff Member with code 4929.

7. 07/05/2019-31/08/2020: Associate Principal Investigator and Staff Member in research program «EWaS4-“Valuing the Water, Carbon, Ecological Footprints of Human Activities” (24-27/06/2020)» with code 6093.

8. 2019-20: Associate Principal Investigator and Staff Member in research program: «Provision of supporting services for the development of a joint methodology and tools for the reduction of Non-Revenue Water and the optimization of the quality of drinking water and the application of the pilot

action of DEYA of Zakynthos in project: SUstaiNable WATER supply netwroks in Mediterranean touristic areas (Sun Water)», INTERREG V-A Greece-Italy 2014-20, with code 6142.

9. 2019-20: Associate Principal Investigator and Staff Member in research program «Provision of supporting services for the development of a joint methodology and tools for the reduction of Non-Revenue Water and the optimization of the quality of drinking water and the application of the pilot action of DEYA of Igoumenitsa», INTERREG V-A Greece-Italy 2014-20, με κωδικό 6214.

10. 2019-21: Associate Principal Investigator and Staff Member in research program «MUHA-MUTLIHAZARD FRAMEWORK for WATER RELATED RISKS MANAGEMENT», INTERREG V-B Adriatic-Ionian/ADRION 2014-2020 project, with code 6354.

11. 2021- : Associate Principal Investigator and Staff Member in research program « Research actions in the management of urban hydraulic projects and water resources», with code 6749.

#### **D) As Staff Member**

1. 04/10/1994 - 12/11/1994: Worked as an External Expert (contracted) in a research project implemented by the Civil Engineering Dept. of the Aristotle University of Thessaloniki (financed by the Water Utility of Thessaloniki - OUTH) in the field of hydraulic and environmental engineering entitled «Public poll by OUTH on the Public’s reaction regarding drinking water supply and water issues in general».

2. 01/01/1999 - 31/03/1999: Worked under an employment contract in a research project entitled «Upgrading the civil engineering Studies by introducing of modern methods and tools of education» implemented by the Civil Engineering Dept. of the Aristotle University of Thessaloniki.

3. 2015-17: «Performance evaluation of the water distribution networks of the municipal districts of Eani and Krokos of DEYA Kozani and investigation of the sustainability point between efficient and reciprocal use of the water distribution network of DEYA Kozani implementing new technologies», with code 5062.

4. 2017-20: «Development of an Early Warning System for the safety of drinking water in water distribution networks», with code 5394.

5. 2018- : «Interdepartmental postgraduate programme - Sustainable Management of Environmental Changes and Circular Economy», with code 5829.

## **7. Publications**

### **7.1. GUEST EDITOR-EDITORIALS IN INTERNATIONAL JOURNALS (4)**

- Kanakoudis V., Karatzas G., **Keramaris E.**, (2016) «Preface/Guest Editorial: The 2nd EWaS International Conference on Efficient and Sustainable Water Systems Toward Worth Living Development», *Procedia Engineering Journal*, Elsevier, 162: 1-2. **DOI:**[10.1016/j.proeng.2016.11.001](https://doi.org/10.1016/j.proeng.2016.11.001).
- **Keramaris E.**, (2017) «Preface/Guest Editorial: The 2nd EWaS International Conference on Efficient and Sustainable Water Systems Toward Worth Living Development», *Special Topics and Reviews in Porous Media: An International Journal*, Begell House, 8(2): v-vi, **DOI:** [10.1615/SpecialTopicsRevPorousMedia.2017020499](https://doi.org/10.1615/SpecialTopicsRevPorousMedia.2017020499).
- **Keramaris E.**, (2020) «Preface/Guest Editorial: Journal of Marine Science and Engineering, Special Issue “Experiments and Numerical Analysis of Flow”».
- Kanakoudis V., **Keramaris E.**, (2020) « The 4th EWaS International Conference: Valuing the Water, Carbon, Ecological Footprints of Human Activities», *Environmental Sciences Proceedings*, 2 (1), 62. **DOI:** [10.3390/environsciproc2020002062](https://doi.org/10.3390/environsciproc2020002062)

### **7.2. TOTAL PUBLICATIONS: 82**

**PhD Thesis: 1**

**In Journals: 44**

- *In International Journals: 39*
- *In Greek Journals: 3*
- *In Greek Special Issues: 2*

**In Conferences: 37**

- *in International Conferences: 20*
- *in Greek Conferences: 17*

## **PhD Thesis (1)**

**Keramaris E.**, (2001) «Turbulent Flow in an Open Channel with a Porous Bed», PhD Thesis, Aristotle University of Thessaloniki, Department of Civil Engineering.

## **A) Publications in International Journals (39)**

**A.1.** Prinos P., Sofialidis D., **Keramaris E.**, (2003) «Turbulent Flow Over and Within a Porous Bed», *Hydraulic Engineering*, ASCE, 129(9): 720-733, ASCE.

### 8.3. Evaluator of Research Proposals

2018 - today: Evaluator of research proposals from Secretariat for Management of Sectoral Business Programs of the European Social Funds.

2018 - today: Evaluator of research proposals from State Scholarships Foundation.

## **9. Author of Theory and Laboratory Notes**

- «**River Mechanics**» (**Laboratory Notes**), Notes for Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering, January 2007.
- «**Hydraulics II**» (**Theory Notes**), Notes for Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering, March 2008.
- «**Hydraulics II**» (**Laboratory Notes**), Notes for Alexander Technological Educational Institute of Thessaloniki, Department of Civil Infrastructure Engineering, Division of Hydraulic and Environmental Engineering, March 2008.

## **10. Administrative Experience at the University of Thessaly**

- Substitute Member of the Experts Committee for the technical evaluation of public tenders at the Civil Engineering Dept. of University of Thessaly since 2014 (Institution Managing Committee Decision 176/8-10-14).
- Supervisor of the Students' Practical Training at the Civil Engineering Dept. of University of Thessaly 2015-2017.
- Member of the Team of Internal Evaluation at the Civil Engineering Dept. of University of Thessaly 2015-2017.
- Member of the Team of Program and Examinations schedule at the Civil Engineering Dept. of University of Thessaly since 2016.
- Member of the Team of Program Studies at the Civil Engineering Dept. of University of Thessaly since 2017.
- Member of the Team of Objections of Students' Program of Practical Training at University of Thessaly since 2018.
- Member of the Team of Academic Advisor at the Civil Engineering Dept. of University of Thessaly since 2018.
- Member of the Coordinating Team of Interdepartmental Postgraduate Program at the University of Thessaly entitled "Sustainable Management of Environmental Change and Circular Economy" since 2018.
- Substitute Member of the Team of Admissions Selection of Interdepartmental Postgraduate Program at the University of Thessaly entitled "Sustainable Management of Environmental Change and Circular Economy" since 2018.
- Substitute Member of the Technical Council University of Thessaly since 2019.

### **11. Supervisor of PhD Students**

1. Petikas I., (2017-2020) «Development and implementation of innovative methodologies, software and algorithms (ACPA, BECPA, ARHA, HYDROROLOGY) for the accurate calculation of hydraulic flow characteristics in the design of flood protection projects».

### 15.3. Supervisor of Diploma Thesis at Hellenic Open University

1. Leventaki E., (2017) «Optimization of the Heraklion biological cleaning - MBR method», September 2017.
2. Aggelopoulos P., (2018) «Error recording and ways to optimize wastewater treatment Facilities in areas with large sewage fluctuations», September 2018.
3. Tsifodimou E., (2018) «Comparing the performance of various sewage treatment systems by removing nutrients (phosphorus and nitrogen) from urban waste water. Suggestions for optimizing the design», September 2018.

### 15.4. Supervisor of Diploma Thesis at International Hellenic University

1. Terzoglou E., (2020) «Unsteady flow in closed pipe connected with a large width tank», March 2020.
2. Karagiannis G., (2020) «Numerical study of Water Hammer in water supply network of a small settlement», August 2020.

## **16. Participation in Organizing Committees of Global Conferences**

- **Member** of the organizing committee of the Conference «Protection and Restoration of the Environment XII International Conference», June 29–July 4 2014, Skiahtos, Greece. (Co-organization: Department of Civil engineering University of Thessaly, Department of Planning and Regional Development University of Thessaly, Stevens Institute of Technology, USA).
- **Vice Chairman** of the Conference «2<sup>nd</sup> EWaS International Conference: “Efficient & Sustainable Water Systems Management toward Worth Living Development”», June 1–4 2016, Chania, Greece. (Co-organization: Department of Civil engineering University of Thessaly, School of Environmental Engineering, Technical University of Crete).
- **Vice Chairman** of the Conference «3<sup>rd</sup> EWaS International Conference: “Insights on Water-Energy-Food Nexus”», June 27–30 2018, Lefkada Island, Greece. (Organization: Department of Civil engineering University of Thessaly).
- **Vice Chairman** of the Conference «4<sup>th</sup> EWaS International Conference: “Valuing the Water, Carbon, Ecological Footprints of Human Activities”», 24-27 June 2020, Corfu Island, Greece. (Organization: Department of Civil engineering University of Thessaly).

## **17. Keynote Speeches (Invited Speaker)**

- **Keramaris E.** «Modern Methods of Water Velocity Measurements», Workshop for World Water Day, 22/03/2018, Mouzaki Karditsa 2018.

## **18. Additional Professional Experience**

- From 08/03/1995 until 31/12/2014 : Individual Civil Engineer
- From 01/01/2004 until 31/12/2013 : External Partner of Company «Hydroactotechniki»
- From 07/06/2007 until 31/12/2009 : External Partner of Company «YETOS»

## **19. General**

- Member of Technical Chamber of Greece since 1995.
- External Research Associate of Department of Civil Engineering (2002-2014).
- Member of Hellenic Hydrotechnical Association since 2007.
